Food & Drink

Ironie Café

The menu here is incredibly appealing, comprised of breakfasts, lunches and dinners. Offerings of morning and afternoon tea will also not go amiss!

Two Chefs

An upmarket bistro with a Parisian feel. Within its dark wood interior of antique furniture, dark-stained paneling and leather seating, enjoy the traditional charm of French cuisine.

Plato

A relaxed eatery occupying a lovely spot on Dunedin's harbor front. Since opening in 2002, the restaurant has brought an uncomplicated approach to food to the area.
